Transformation Times Three: Mother, Father, Son Beat Diabetes, Obesity, Candida, ADHD, and More

By Kat James

Jessica and Timothy Bayer of Buena Park, CA, and their four-year-old son, Caleb, flew to London last October to join me and eight others for nutritional healing, along with stops at castles and local farms from London to Scotland. Here’s my interview with Jessica and Timothy about their incredibly transforming year.

**KJ:** Jessica, you’re due any day and look amazing...in your last pregnancy you had high blood pressure, an eating disorder, anxiety, and depression. I’d love to hear updates on all of that, but first have to acknowledge that you’re 11 dress sizes smaller at seven months pregnant, and still the same 87 pounds down that you were just before you got pregnant! What does your doctor think?

**Jessica:** Yes, they are amazed that I’m actually smaller—well, everywhere except my belly—seven months before than I got pregnant! When I started your regimen last spring I was a size 22, around 249 pounds. Then by fall/England, I was down to a 14. I wasn’t even looking at the scale anymore...but when I got pregnant my doc insisted on weighing and I was down 87 pounds. Now, I’m still the same weight at seven months! Who knows what I’ll weigh after the birth! More importantly, my blood pressure is perfect and I’m no longer diabetic, depressed, ravenous, or exhausted like last time. It’s a totally different experience this time.

**KJ:** Incredible. Could you share more about how your health and lives have changed over the last year?

**Jessica:** Sure. Until April of last year I’d battled obesity since my teens. Food gave me a shield from stress and even people. No diet could keep me from binging for long. Last year, with my father’s illness my fasting glucose reached a scary 180. I decided to join your coaching TeleProgram and within a few weeks my sugars dropped to 100. More shocking was the abrupt drop in my appetite and what looks, to this day, to be a permanent end to my compulsive eating disorder. Willpower is no longer required and the weight has kept coming off. Timothy and Caleb both started eating this way too. Timothy feels it has given him back his brain and he no longer needs coffee to keep himself going and able to concentrate. Caleb’s candida bloating and head-to-toe rashes—which he’s had since birth from antibiotics—gradually improved. We hadn’t been doing everything right as far as his fat ratios until then, but after Europe is when we noticed his behavior changed (no more hitting us!) and what was left of his rashes cleaned up completely. In England, my glucose shot down to the 80s and my weight loss picked up even more. After buying my third new wardrobe, Timothy and I joked that I should be renting my wardrobes. Another thing that we both noticed is that I don’t avoid social interaction anymore. I even went swimming with my son at a family barbecue. Timothy said it’s like I just stepped out of the fog after 20 years of marriage. It’s a new life for all of us going forward, including our unborn baby girl’s. We’re so grateful.

Sometimes cords are attached to old negative patterns which cause career problems and financial issues. Cords can hold us to our past and can even be rooted in past lives. Gail is a psychic medium who is able to not only see these cords but dissolve and remove them bringing healing in your relationships and release from the past. Gail will perform cutting cords for everyone. VIPs will sit in the front rows and will receive an individual cord cutting from Gail.

Cutting Negative Relationship Cords
We create cords with anyone significant in our life. These can be good cords but they can also be negative. A difficult relationship of any nature is a sign of negative cords that have anchored and attached and can make you quite sick. Sometimes good cords can get strangled by negative black cords which can cause distrust, jealousy, fear and anger in our relationships. Sometimes cords are attached to old negative patterns which cause career problems and financial issues. Cords can hold us to our past and can even be rooted in past lives. Gail is a psychic medium who is able to not only see these cords but dissolve and remove them bringing healing in your relationships and release from the past. Discover cords that are holding you back. Releasing negative cords can cause impressive results. Learn cutting cord techniques healers can do on their clients or you can use on yourself and your loved ones. Gail will perform cutting cords for everyone. VIPs will sit in the front rows and will receive an individual cord cutting from Gail
